PRO STYLE KICKBOXING

Pro Style Kickboxing has more to offer than any run of the mill Martial Arts School. The club is affiliated to WUMA - The World United Martial Arts Federation. WUMA have member clubs throughout UK and the rest of the World. Pro Style Kickboxing offer many courses including Self Defence, Control and Restraint, Hop Kuin Do syllabus & Weapons. All courses are exclusive to members only.

Beginners are only taught the basics of Martial Arts along with light exercise for fitness. You **do not** have to be fit to join as we gradually do that for you and Martial Arts training can help with weight reduction as well as toning up your body. Personal self-protection is a major part of our training; competition training is optional and is separate.

There is a student code of conduct to adhere at all times and this will be expected of you, but our classes operate in a relaxed and friendly manner. You will also be pleased to hear that there is no foreign language to learn.

Senior Instructor: Paul Childerley 07932 103193
